Re: F.E.R.C. Tariff No. 100.68.0 cancels F.E.R.C. Tariff No. 100.67.1 (Docket No. IS17-422-001).

Dear Secretary Bose:

The accompanying tariff is sent to you for filing in compliance with requirements of the Interstate Commerce Act (ICA) and the Commission regulations. This tariff is issued by Explorer Pipeline Company ("Explorer") and bears the designation as FERC No. 100.68.0. The tariff is filed to become effective on August 1, 2017 on 14 days' notice.

FERC Tariff No. 100.68.0 contains the following revisions:

- The Table of Contents was updated with corrected page numbers; and
- Updates the "volumes bid" and the "market clearing rates" in the Table of Bid Rates, Part V for the month of August, 2017. There were no bids for the Southern Mainline Segment. The Market Clearing Rate for the Northern Mainline Segment was \$0.10 per barrel above the applicable Regular Rate or Specialty Rate.

The tariff is filed on short notice to become effective August 1, 2017 on 14 days' notice pursuant to 18 CFR § 341.14 and § 6 of the ICA. Bid nominations are received by Shippers on the 10th of the month (July 10 for this filing) preceding the nomination period (August 1 – August 31), which results in the filing being made on short notice in order to be effective at the first of the month, August 1, 2017. In accordance with Docket No. OR 12-10-000 and the associated transportation agreements, the incentives to the Hammond destination are no longer applicable. Explorer understands that this tariff is conditionally accepted subject to refund pending a 30-day review period.

Explorer's tariff filing is based on its market-based authority granted by the Commission in Docket OR99-1-000, issued June 30, 1999 (87 FERC ¶ 61,374). For the ease to our Shippers, Explorer has maintained one tariff structure, which includes both intrastate (non-jurisdictional) and interstate rates (FERC jurisdictional).

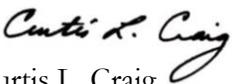

Pursuant to 18 C.F.R. § 343.3 of the Commission regulations, Explorer requests that any protest or other filing with regard to this tariff be sent electronically to Curtis L. Craig at

ccraig@expl.com. All tariffs published by Explorer Pipeline Company may be viewed and printed from our website at www.expl.com.

I hereby certify that on or before this date, I have caused service to be made pursuant to 18 CFR § 385.2010(f)(2) by means of transmission agreed upon in writing by the subscriber.

If you have any questions, please do not hesitate to call me at (918) 493-5107.

Yours very truly,

Curtis L. Craig
