Celeste Johnson
General Counsel & Corporate Secretary

June 30, 2018

Transmittal No. 356

Honorable Kimberly D. Bose
Secretary
Federal Energy Regulatory Commission
888 First Street, N.E.
Washington, DC 20426

Re: F.E.R.C. Tariff No. 101.14.0 cancels F.E.R.C. Tariff No. 101.13.0 (Docket No. IS18-263-000)

Dear Secretary Bose:

The accompanying tariff is sent to you for filing in compliance with requirements of the Interstate Commerce Act ("ICA") and the Commission's regulations. This tariff is issued by Explorer Pipeline Company ("Explorer") and bears the designation as F.E.R.C. No. 101.14.0 which cancels F.E.R.C. 101.13.0. The tariff is filed to become effective July 30, 2018.

FERC No. 101.14.0 provides for volume incentive rates for regular products and specialty products to any Shipper deliveries from Phillips 66 Carrier LLC's ("Phillips 66") Hartford, Illinois Terminal to Explorer's Wood River origin facilities to Explorer's destinations at St. Louis, Missouri; East St. Louis, Illinois; Wood River, Illinois; Irwin/Cochin Terminal, Illinois; Marathon Griffith, Indiana; Hammond, Indiana, and Buckeye Chicago Complex, Indiana. Phillips 66 concurs with the filing of FERC No. 101.14.0. This reflects the following.

- Explorer's General Counsel has been updated to Celeste Johnson;
- The Table of Contents was updated with correct page numbers; and
- Table of Rates, Parts I, II, III and IV reflect general rate increase of 1.79% based on Phillips 66 FERC No. 4.8.0, effective July 1, 2018.

Explorer was granted market-based authority in Docket OR99-1-000, issued June 30, 1999 (87 FERC ¶ 61,374). Explorer's local rates in connection with the joint tariff are market-based rates pursuant to 18 CFR § 342.4(b). Phillips 66 local rate is initially justified on a negotiated rate pursuant to 18 CFR § 342.2(b). These joint tariff volume incentive rates and specialty product rates to the Explorer destinations listed above are less than or equal to the total local rates of the posted tariffs for Phillips 66 and Explorer (participating carriers) as indicated in Phillips 66 FERC No. 4.8.0, Docket No. IS18-425-000, and Explorer's F.E.R.C. No. 100.73.0, Docket No. IS18-536-000.

Pursuant to 18 C.F.R. § 343.3 of the Commission's regulations, Explorer requests that any protest or other filing with regard to this tariff be sent electronically to Celeste Johnson at cjohnson@expl.com. All tariffs published by Explorer Pipeline Company may be viewed and printed from our website at www.expl.com.

In addition, if you have any questions regarding the participating connecting carrier, Phillips 66 Carrier LLC, please contact Mr. Alan Fairwell, Director of Tariffs at (281) 293-2135.

I hereby certify that on or before this date, I have caused service to be made pursuant to 18 CFR §385.2010(f)(2).

If you have any questions, please do not hesitate to call me at (918) 359-5474.

Yours very truly
