Transmittal No. 349

Honorable Kimberly D. Bose  
Office of the Secretary  
Federal Energy Regulatory Commission  
888 First Street, N.E.  
Washington, DC 20426

Re: F.E.R.C. Tariff No. 100.70.0 cancels F.E.R.C. Tariff No. 100.69.0 (Docket No. IS17-581-000).

Dear Secretary Bose:

The accompanying tariff is sent to you for filing in compliance with requirements of the Interstate Commerce Act (ICA) and the Commission regulations. This tariff is issued by Explorer Pipeline Company ("Explorer") and bears the designation as FERC No. 100.70.0. The tariff is filed to become effective on January 1, 2018.

FERC Tariff No. 100.70.0 contains the following revisions:

- Item No. 5 Definitions references the current Shipper's Manual dated January 1, 2018 and incorporates the manual by reference and is attached herein;
- Item No. 10, Commodity & Specifications, Section a has been added to comply with the requirement of § 341.4(c);
- Item No. 20, Minimum Delivery at Destination has been revised to clarify that less than 5,000 barrels may be delivered at destinations if operational issues warrant it;
- Item No. 90, Proration of Pipeline Capacity, has been updated to reflect the January 1, 2018 Petroleum Products Proration Policy which was revised to clarify that allocations to Regular and New Shippers on the smaller line segments would be rounded to 5,000 barrel increments; and
- Tables of Rates Part II, Part III, Part IIIA, Part IV, and Part IVA have been revised to reflect a general rate increase averaging 2.25% across all destinations.
- Tables of Rates Part III and Part IV have been revised to cancel the Galena Park Origin due to the fact that it is currently out of service.

Explorer's tariff filing is based on its market-based authority granted by the Commission in Docket OR99-1-000, issued June 30, 1999 (87 FERC ¶ 61,374). For the ease to our Shippers, Explorer has maintained one tariff structure, which includes both intrastate (non-jurisdictional) and interstate rates (FERC jurisdictional).

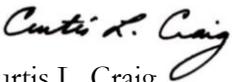

Pursuant to 18 C.F.R. § 343.3 of the Commission regulations, Explorer requests that any protest or other filing with regard to this tariff be sent electronically to Curtis L. Craig at

ccraig@expl.com. All tariffs published by Explorer Pipeline Company may be viewed and printed from our website at [www.expl.com](http://www.expl.com).

I hereby certify that on or before this date, I have caused service to be made pursuant to 18 CFR § 385.2010(f)(2) by means of transmission agreed upon in writing by the subscriber.

If you have any questions, please do not hesitate to call me at (918) 493-5107.

Yours very truly,

  
Curtis L. Craig
